

Jaime Guzmán

Frontend Developer & Systems Engineering Student

jaimeguzmanlt@gmail.com · +591 76969626 · Cochabamba, Bolivia · [LinkedIn](#) · [GitHub](#) · [Portfolio](#)

Frontend Developer with hands-on experience building scalable SaaS applications and cross-platform mobile solutions. Specialized in the React ecosystem (Web & Native) with TypeScript and Tailwind CSS. Proven ability to collaborate in Agile/Scrum multidisciplinary teams, integrating REST APIs and following software development lifecycle (SDLC) best practices.

EXPERIENCE

Frontend Developer Intern — Chaskydev

Cochabamba, Bolivia · Feb 2026 – Apr 2026

- Developed a real-time table management SaaS for billiard halls, handling session tracking and availability control.
- Built reusable component architecture and responsive UI with React and TypeScript following Agile/Scrum methodology.
- Collaborated in a cross-functional team integrating REST APIs for backend communication.

Frontend Mobile & Web Developer Intern — EcoHeroes

Cochabamba, Bolivia · Apr 2025 – Aug 2025

- Built end-user mobile app with React Native, implementing real-time geolocation and map integration.
- Developed administrative Web Dashboard with React and Tailwind CSS for logistics management.
- Worked in an Agile team of 6, integrating REST APIs and coordinating data structures with the backend team.

Junior Frontend Developer Intern (SaaS ERP) — GEOTEC

Cochabamba, Bolivia · Jan 2025 – Apr 2025

- Developed core modules (Subscriptions, Entities) for a commercial SaaS ERP, ensuring data integrity across the platform.
- Designed reusable components for massive data tables, optimizing rendering performance and pagination logic.
- Applied SOLID principles and modular architecture for scalable frontend development

Frontend Web Developer (Freelance) — Creaciones Nikolet

Cochabamba, Bolivia · Sep 2024 – Dec 2024

- Built an interactive SPA catalog with React and TypeScript, automating order management via a web platform.
- Optimized image loading and UX following a Mobile-First approach.

EDUCATION

UCATEC — Systems Analyst
